

## PUSH AROUND LIFTS

# QUICK UP

### A wide range to meet your needs

- ↳ Working height from 8m to 14m
- ↳ Available in (AC) or (DC)

### The Quick Up will follow you on every project

- ↳ Easy to transport on a trailer or a van
- ↳ Only one person needed to install a Quick Up
- ↳ The Quick Ups light weight enables use on tiles, stages, carpeting, shopping centres...
- ↳ Quick Ups are extremely compact, suitable to access the tightest spaces, fit through standard doorways and be carried in lifts
